THE OPPORTUNITY

The Tri-Cities (Port Moody, Coquitlam, and Port Coquitlam) offer an exciting opportunity to build and grow Young Life in a thriving and diverse community. With over a dozen high schools and several middle schools across the area, the potential for relational outreach is significant. This is new work, but there is already momentum through existing relationships with teens and adults who are eager to see Young Life established locally. The Tri-Cities has a deep history of faithful donors and prayer supporters who have continued to give and believe in the mission. A prayer group meets every second Monday of the month, and early conversations are underway to form a local committee. This role is ideal for someone who is relational, self-directed, and excited to build ministry from the ground up while trusting God to lead each step.

POSITION PURPOSE

As a Staff Associate, you commit to active participation in a fellowship learning community for two years where you will learn Young Life ministry skills, spiritual leadership and professionalism to effectively reach teenagers with the Gospel. The intent of your training is to qualify you for deployment as an Area Director to build Young Life in another Canadian or international community.

While being trained, you are responsible to recruit, train and lead a team of volunteer leaders, and build an effective new Young Life ministry in a junior or senior high school. You will be active in all levels of contact work; be present and available to all kids in the school, particularly those of your own gender; and invest in key groups of kids. You will build a thriving club, take kids to camp, and initiate and lead a Campaigner group with excellence.

Recruit, train, and deploy a team leader to replace you when you complete your two-year training program.
- Community Adults (5%) - Develop connections and build relationships with key adults in the area. Build relationships and communicate with parents to ensure their support of Young Life's ministry. Cultivate strategic relationships with appropriate adult leaders and organizations in the community.
